A little bit about our Watermen,

Jesse & Chris

Jesse Lowers has been a commercial waterman and a hunting guide for the last 13 years on the Chesapeake Bay. Chris Phelps joined Jesse 10 years ago and together they fished, crabbed and guided hunts on the Bay. For many years, they dreamed about opening their own crab shack and fish market. They wanted to share their love of seafood with their community. Today, their dream has become a reality and they can finally bring their crabs and fish from their boat to their seafood shop into your kitchen. And that's where the phrase, "WE CATCH 'EM, WE STEAM 'EM, YOU EAT 'EM!!" came from.
